— WELCOME & THANK YOU —

Dear Friends,

We are so glad you are here as a part of this special evening. Each year for the last 27 years, the Dripping Springs Community has come together in the spirit of generosity to make a difference for many in and around our community. Tonight is no different. Each of us here is making a difference by simply purchasing a dinner ticket and enjoying the wonderful food created by so many amazing volunteers.

We hope you have a wonderful time tonight with family and friends. This dinner has made a lasting effect on many in ways we may not ever truly know. Last year, as a result of your generosity we were able to donate \$80,000 to missions and charities in our area. Our hope and prayer is that we can continue the tradition of success tonight, so we can make an impact on the various organizations that need our help.

This night doesn't happen without our long list of individual volunteers, sponsors and guests like you that support this effort each year. We have great auction items, fun games, and fellowship that we hope will make memories for years to come.

Mark 10:45 says, "For even the Son of Man did not come to be served, but to serve, and to give his life as a ransom for many." We are servants of those in our community.

God Bless each of you for your service tonight!
